## **Membership Information**

If you wish to become a member of our **Critters Club**, please fill out the attached forms and return them by mail along with a \$10 check or cash to the **Critters Club**, 1018 N Cowboy Canyon, Green Valley, AZ 85614.

The first form is the *Membership Application and Registration Form*. Please fill it out as completely as possible.

If you wish to enter your pet(s) in our *Pet Registry*, the second form may be used. Please complete one registry form per pet.

The Entry Guardhouse has a book with the pictures as well as a chip reader to assist in locating your dog should it go missing. Please call them at 520-393-2941 if your pet goes missing.

We have more than 150 memberships which means there are about 500 or more pets and pet owners in Quail Creek who belong to the club. Since we are continuously advocating for the pets within our community as well as for the dog park, we believe there is strength in numbers. In addition, this does not include those pets and their owners who are not members of the **Critters Club**. In all, there are over 1000 pets and pet owners in Quail Creek.

There are many benefits of belonging to the **Critters Club** and the primary one is to show your support for all the pets and their owners who live in our community. The Critters Club Leadership Team and our Support Team are working to maintain, preserve and improve the lifestyles and well-beings of our pets.

The funds received from the \$10 membership fee are used to pay for the pet recovery program, our educational programs and speakers, donations to local pet shelters, office supplies, our website and printing costs as well as to support dog park improvements and maintenance. Our website address is: [www.qcCrittersClub.com](http://www.qcCrittersClub.com)

**Join the Critters Club movement. We are all pet advocates and supporters.**

## **Pet Registry and Recovery Program**

### **Registration**

If your pet runs away or get away for any reason, our program is designed to assist in the location and recovery of your pet. If your pet is micro-chipped (and we highly recommend this), we have chip readers placed in different locations within the community. We also have pictures and descriptions placed at the guard station. The Quail Creek Patrol is very supportive and will assist in the recovery of your pet. Please complete the following information:
